We are still doing CARE there. We removed this location from CARE+. You will need to ask Cal Trans directly about what they will do. I will have them move the showers. We didn't deploy trash cans there. We can't help it if people move them. We can only move them back. Also, not all of the receptacles there were LASAN's the last time I looked. I'm not sure who gave them additional bins.

Hello Sarah,

I hope you are well! It has kind of been hectic for us.

Do you know if the cleanup for Bradley / Paxton is still occurring on Friday since the governor and the mayor are telling everyone to implement social distancing. If is occurring, may you please ensure the CARE showers do not park in front of the business we spoke of but on Paxton again. Lastly, also not to put the trash cans by his business.

Sidenote, I know I say this often, but thanks for the CARE/CARE+ support this week I saw that many encampments have been receiving service and some are not there anymore.

Thanks for everything,

Cristian Tafoya, Caseworker
